

If the magic porridge pot makes 6 bowls of porridge and then another four, how many bowls of porridge did it make altogether? Try drawing a picture to work out how many bowls there are altogether?

If you had a magic porridge pot, what food would you like it to make for you? Draw a picture of your favourite food. Ask your family about their favourite food. What would they like the porridge pot to make them?

Ask a grown up to come into school to be our 'Secret Reader'.

Share a Traditional Tale at home. Draw a picture or create a story map about the story and bring into school to share with the class.

Can you remember the words in the story to stop the pot cooking? Write some magical words of your own that you might use to stop the pot. Remember to sound them out carefully.

In a bath or sink explore using some pots or bottles. Try using the words 'full', 'empty' and 'half- full' to tell a grown-up how much water they hold. Can you work out which container holds the most water?

Decorate your own magic pot using an empty container. How can you make it look magical? Bring it into school to put on display.

Make some porridge at home with a grown-up. Try using different toppings like fruit, jam or honey. Which is your favourite?

Using your story map of 'The Magic Porridge Pot' that we will make in school, try telling the story to a grown-up.

Be as creative as you like and enjoy the home learning activities. We would LOVE to see more photographs and notes on Tapestry about any home learning - either using the ideas on this page or any other 'wow' moment!
