

Wider life experiences for pupils 2017-2018

At Stephen Freeman Primary School we understand that the National Curriculum is only one part of a child's education. All children need new experiences and opportunities to develop spiritually, morally, culturally, mentally and physically. We also aim to prepare pupils for the opportunities, responsibilities and experiences of later life.

One of the barriers to learning which children entitled to Pupil Premium face is the lack of wider life experience and knowledge about the wider world. Therefore, we aim to provide many opportunities to break down this barrier and give pupils a greater understanding of the world around them. The table below outlines the experiences which each year group have received this academic year.

Whole School opportunities	<ul style="list-style-type: none"> • Travelling Circus • Christmas Dinner • DHL Lorry safety demonstration • Pantomime – Aladdin • Sports Day • Storytelling week • Prayer Spaces • World Book Day celebrations • International Day • Stephen Freeman's Got Talent
