*"Everybody; Every Moment; Every Idea Counts"*

### Attendance Newsletter

March 2019

## Be on time for school

Doors open at 8.45am and children complete an early morning activity. Registration needs to be completed by 9am.

**If your child arrives later than 9am they will need to go to the school**

**office first; they will be marked as late.** Punctuality is very important and helps children have a settled start to their day at school. Remember that 10 minutes late per day amounts to almost 7 whole days of learning lost in a school year.

### Spring Term 1 Attendance

During Spring Term 1 (Term 3) our attendance level remained at 95%. **We need to continue to work hard together to reach our school target of 97%.**

**Well done to Argentina class who had the best attendance levels in KS1 (and overall). Chile class are in second place.**

**In KS2, China Class had the highest attendance. They have also had the biggest improvement. At the end of Term 1 they were in 15th place and now they are 4th.**

These three classes will receive an extra playtime.
