

## Year 6

Week beginning: 11<sup>th</sup> May 2020

	Reading	Writing	Maths	Science
Monday	<ul style="list-style-type: none"><li>- Spend 20 min on Readtheory</li><li>- Club discussion on Dojo</li><li>- Read a book of your choice (this week), write a review for it and share it on the Year 5 and 6 Book Club Group on Dojo.</li></ul>	Research Charles Darwin.	Imagine that you have won the lottery and have been given a budget of £2000. You are going to design your own bedroom from flooring, wall paint/wall paper, furniture as well as accessories. For this project, you will need to tally up the total cost for everything and therefore you will need to go online to find the information out. Remember that you cannot go over budget. Please send your designs as well as your costing lists to your teacher.	<u>Forced Selection</u> <b>Can you help?</b> Jo and Sam are parents of two young boys and they live in Mexico. They are looking for a dog that matches this criteria:
Tuesday		You are then to write a biography on him.		1. Must be good with children
Wednesday		Send through your biography to your teacher via Dojo.		2. Quite energetic as they have plenty of garden space
Thursday				3. It must not molt too much as they hate the hair on their clothes
			4. Be okay with the climate	

Friday

- a. You need to work out the area and perimeter of your room for the flooring.
- b. For the paint, you will need to work out the area of each wall.
- c. Select the type of flooring that you want and then find out the cost of it online.
- d. You will need to do the same for all other items and paint.

Daily TTR and Prodigy is expected

5. It must be quite intelligent as they want to train it to do different things
6. They prefer a medium sized dog but if it meets the other criteria, then size does not matter.

Your task is to do some research on different breeds of dog and you are to create a 'new' breed for this family.

You need to create a fact sheet about it. On the sheet you must include:

- The name of the breed
- An image of the dog
- A description of it
- Finally, you need to write a paragraph to convince me why you chose to breed the dogs that you have for the family.

The person who creates the dog that best matches the requirements for the family, will receive 5 dojos and their one will be shared on our class story!
