

Year 6

Week beginning: 8th June 2020

Topic: A Local Study

	9:15-10:15 Maths	10:15-11:00	11:00-11:15	11:15-12:15	12:15-12:45	12:45-1:15	1:15-2:15	2:15-3:00
Monday	<p>Measure how long each one of your strides are. You are then to walk around your block, use your stride measurement and work out the distance in km. Share your work on your Dojo Portfolio.</p> 	<p>Watch Newsround and discuss what is happening around the world with a parent/teacher. Was there anything that caught your attention today?</p>	<p>Break</p>	<p>You are to select a historical 'tourist attraction' or landmark in Oxfordshire and research it. With your research (taken as notes), you are to plan a non-chronological report on it or a leaflet.</p>	<p>Read a book of your choice or go onto Read Theory.</p>	<p>Lunch</p>	<p>What are your goals and dreams? Write down three things that you would like to achieve next year. Then you need to think about steps that you need to take to be able to achieve them Share them on your Dojo portfolio.</p>	<p>Run or walk a mile every day. Record your time as you are going to try to beat it each day this week. Record your time onto a line graph. You will plot</p>

Tuesday

Game:

**Three in a row
For this game you
need a calculator.**

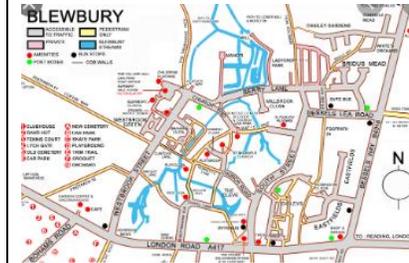

- Draw a number line 0-1 and split it up into tenths.
 - Take it in turns to choose a fraction, say $\frac{2}{5}$. Use the calculator to convert it to a decimal (i.e. $2 \div 5 = 0.4$) and mark your initials at this point on the line.
 - The aim of the game is to get 3 crosses in a row without any of the other player's marks in between.
 - Some fractions are more difficult to place than others, e.g. ninths.
- Share on your Dojo Portfolio.

Watch Newsround and discuss what is happening around the world with a parent/teacher.
Was there anything that caught your attention today?

Use your plan created yesterday to write up your non-chronological report or leaflet. Make sure that you use 'PIT STOP' techniques throughout. Make it look attractive and share your work on your Dojo Portfolio (5 Dojos).

Read a book of your choice or go onto Read Theory.

Draw a map of your local area or of the school. Remember to include a key as well as symbols on your map. Share your work on your Dojo Portfolio.

your time for each day throughout this week.

<p style="text-align: center;">Wednesday</p>	<p>Game: Animals</p> <ul style="list-style-type: none"> ◆ Take turns to think of an animal. ◆ Use an alphabet code, A = 1, B = 2, C = 3... up to Z = 26. ◆ Find the numbers for the first and last letters of your animal, e.g. for a TIGER, T = 20, and I = 9, ◆ Multiply the two numbers together, e.g. 20 x 9 = 180. ◆ The person with the biggest answer scores a point. ◆ The winner is the first to get 5 points. <p>When you play again you could think of names, food, countries etc.</p>	<p>Watch Newsround and discuss what is happening around the world with a parent/teacher.</p> <p>Was there anything that caught your attention today?</p>		<p>Write a diary entry for this week so far. Make sure that you include all of your emotions.</p>	<p>Read a book of your choice or go onto Read Theory.</p>		<p>With an adult, you should walk around Didcot and take a picture of the oldest house that you can find and then one of a new build. You are to compare the two in a table (similarities and differences). Share your work on your Dojo Portfolio.</p>

Thursday	<p>Journeys Use the chart in the front of a road atlas that tells you the distance between places. ♦ Find the nearest town centre to you. ♦ Work out how long it would take to travel from this place to some other places in England if you travelled at an average of 60 miles per hour, i.e. 1 mile per minute, e.g: York to Preston: 90 miles 1 hour 30 minutes York to Dover: 280 miles 4 hours 40 minutes Remember to count in 60s to work out the answers mentally. Extend this by asking questions like: "What if you travelled at 30 mph? What if we started at London?"</p>	<p>Choose a topic from current events in the world. It may be something you have seen on the news this week. Research and take notes about your chosen topic. This will help you to write a newspaper report tomorrow.</p> 		<p>Research the history of White Horse Hill and take notes.</p> 	<p>Read a book of your choice or go onto Read Theory.</p>		<p style="text-align: center;">PE</p> <p style="text-align: center;"><u>Create a fitness cycle</u> Your fitness cycle must last at least 20 minutes and include at least 7 activities. Draw or write your cycle and then post it on the class dojo for all to see. Then choose someone else's cycle to complete. Any videos uploaded, of you completing the cycle, will earn you 10 dojo's!!</p> 	
-----------------	---	---	--	--	---	--	---	--

<p style="text-align: center;">Friday</p>	<p>Which was your favourite maths task this week? Can you create a maths challenge/project for the class to do as part of the home learning projects?</p> <p>The winner's idea will be shared as part of the home project in a couple of weeks. Enjoy!</p>	<p>Look back on your notes. Today you need to use notes to write a news paper report. Don't forget to change the formality in your writing. You will need to write in a formal style and be very informative!</p>		<p>Present your findings (from yesterday) in any way that you want to. Be creative! Share your work on your Dojo Portfolio (5 Dojos).</p>	<p>Write a book review and share it on the Year 5/6 Book Club group on Dojo.</p>	<p style="text-align: center;">Art</p> <p>Research how to draw a single viewpoint perspective drawing.</p> <p>Have a go at drawing an image of your street...</p> <p>What could you include on your street?</p> <ul style="list-style-type: none"> • Trees? • Cars? • Animals? • Birds? • Different style buildings? <p>Use colours to make it stand out, post a photo on dojo to earn points.</p> <p>https://www.youtube.com/watch?v=sZD8BjTK8dE</p>	<p>Run or walk a mile. Record your time and then you are going to try to beat that time throughout the week.</p>
