

## Year 6 Home Learning

### Term 1: Space

Please choose as many tasks as you would like to over the half-term. We will then award dojos with extra given for incredible efforts.

We can't wait to see what you come up with!

	5 Dojos	10 Dojos	15 Dojos	30 Dojos
English	<p style="text-align: center;"><b>Storytelling!</b> Retell what has happened so far in either Wonder or Holes to someone at home!</p> 	<p style="text-align: center;">Find out about tourism in Madagascar/Kenya. Why do people go there on holiday? What is there to do for visitors?</p> 	<p style="text-align: center;">Research the history of Kenya/Madagascar You can present this however you like.</p> 	<p style="text-align: center;">Can you write a detailed report about a different country in Africa? Include lots of information!</p> 
Maths	<p style="text-align: center;">Complete a times tables rock star activity every day for a week.</p> 	<p style="text-align: center;">Research the populations of 10 African countries. Sort them from highest to lowest.</p> 	<p style="text-align: center;">Find the distances to Madagascar and Kenya from Didcot. Then write some number sentences about them.</p> 	<p style="text-align: center;">Make a maths game for younger children to play. Use African images to bring your game to life.</p> 
Other	<p style="text-align: center;">Find and write down 5 facts about space!</p> 	<p style="text-align: center;">What can you find out about African houses? Write a comparison between these and English houses.</p> 	<p style="text-align: center;">Design and build from junk modelling materials a space craft – maybe research some ideas.</p> 	<p style="text-align: center;">Find a recipe for an African dish. Perhaps you could make it and then bring in some photos to show us.</p>
