

Sort items into sizes at home, your teddies or your shoes.

Find things in your home that are 'round', 'flat'. What can you find that is taller than you? What is shorter than you?

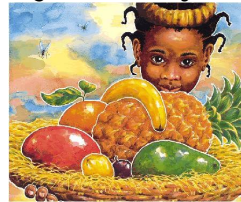

Set yourself a 'goal' for doing at home. It could be tidying your room, putting on your coat, counting to 20, etc.

Go on a walk and see how many different numbers you can find. Can you write any or take a photo of your favourite number for Tapestry?

Can you try a new fruit? Can you describe how it tastes? E.g. crunchy, sweet, soft.

Look out for logos and shop signs. Can you spot your initial sound in any signs?

Montanheiro 

Cummings 

Rowan 

Bolton 

Handa has lots of different fruit in her basket. Can you find out how they grow?

Look for signs of Winter. Is there frost? Ice? What do the trees look like?

Help set the table for a meal. Does everyone have a fork, knife & spoon?

If you do any home learning please put it on tapestry, we would love to see.
