

Choose a plant or a tree in your garden or on your street. Look at it carefully, maybe draw picture to help you remember. Keep going back to look at the changes in this plant as the weather gets warmer during this term.

Practice writing the letters of the alphabet. Make sure you write the letters correctly. Can you write a word or caption?

Look around your area when you go for walks. Can you see any numbers? Are they odd or even numbers? How do you know?

Listen to your adult read you a story. Talk to your adult about what you liked (or disliked). How do the characters feel at different stages of the story?

*Be as creative as you like and enjoy the home learning activities.*

*Home Learning can't currently be brought come into school but we would LOVE to see photographs and notes on Tapestry about any home learning - either home learning using the ideas on this page or any other 'wow' moment!*

Enjoy a packet of smarties or other sweets with different colours. Which colour is there most of? Which has the least? How many are there if you add the red sweets and the green sweets together?

Plant some seeds outside and watch as they grow in the coming weeks, Geraniums, Sweet peas & Dahlias are all good for planting in January.

How many different ways can you make 10?

Please add a picture to tapestry showing something you want to share with the class e.g. a trip during half term, a favourite toy at home, a special person, a new skill you have mastered such as riding your bike etc.
