

## Year 1 Home Learning - Spring 2 - Superheroes!

Can you prepare a healthy meal, fit for a superhero?

Make a list of the ingredients you have used.

Practise telling the time on an analogue clock. Focus on o'clock and half past times.

Design your own villain, think about how they might look and what their personality might be like.

Make a book detailing the adventures of a superhero.

What could they get up to?  
How do they save the day?

An idea of your own!

Create a book review about your favourite super hero story.

Book Title: \_\_\_\_\_

How did you feel about this book?

😊
  😐
  ☹️

Now draw your favourite part of the book

Using a picture of your favourite superhero, tell us what qualities make them a great superhero.

Practice counting in steps of different number. Count up to 100 in 1's, 5's and 10's, then write numbers in numeral and words and see if you can spell them correctly.

Research who might be a real life superhero and why?

Think about people that help and look after us in different ways (e.g. Police Officer).
