

Year 2 Home Learning - Spring 2 - Amazing Animals

Science/art

Create your own shoebox polar habitat.

Science/writing

Research a polar animal and create a fact file.

Science/geography

Watch David Attenborough 'Frozen Planet'

Art

Create your own aurora borealis art.

An idea of your own!

Maths

Practise your times table skills on TT Rock Stars.

Science/art

Create your own shoebox rainforest habitat.

Science/writing

Research orangutans and create a fact file.

Science

Orangutans are critically endangered. Find out about other animals who are endangered. What can we do to help?

The WWF website is a good place to start.
