

Year 1 Home Learning

Term 1: Rhyme Time

Research a fact about your class country. Write it down and bring in your fact so we can add it to our display.

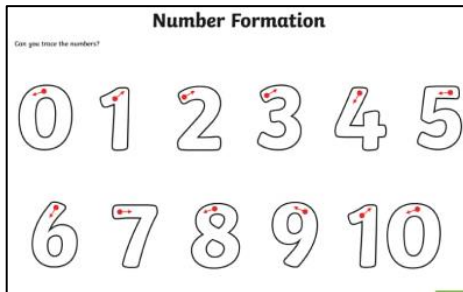

Make your class flag. You could use pencils, pens, paint, collage, fabric, or anything else you find.

Can you spot the changes in the season from summer to autumn?

Practise writing numbers 1-10. Be careful to start in the correct place and get the numbers the right way round.

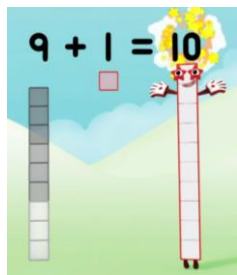

Be as creative as you like and enjoy the home learning activities. Home Learning can't currently be brought into school but we would LOVE to see photographs and notes on Dojo about any home learning - either home learning using the ideas on this page or any other 'wow' moment!

Listen to your adult read you a rhyming story book or a poem. Can you spot the rhyming words on chosen page. Have a go at writing the rhyming words.

How many different ways can you make 10?

As an extra challenge, can you find numbers to add that make 20?

Listen to your class country's national anthem. Can you make up a dance for part of the music?

Please add a picture to Dojo showing something you want to share with the class, a new skill you have mastered such baking, a new sports club etc.
