

## Writing

This term we will be working together to create a class book of potions and spells. This will include making lists and writing instructions.

We will also spend time looking at poetry, riddles and rhymes.

Our focus is on building sentences and using capital letters and full stops correctly. We will also be looking at using commas in a list and using possessive apostrophes.

## Phonics/ spelling

All children will be carefully assessed at the start of the term. They will be revisiting any sounds they are not secure with and will continue to learn at their own pace.

## Maths

During the first three weeks of term we will be focusing on place value. This will include:

- Counting forwards & backwards up to 100.
- Developing an understanding of the tens and ones in two-digit numbers and representing these using concrete resources.
- Comparing and ordering numbers up to 100.
- Counting in 2s, 5s, 10s and 3s.

We will then move onto addition and subtraction. This will include:

- Number bonds to 20 and 100.
- Adding and subtracting multiples of 10.
- Adding two two-digit numbers.
- Subtracting two two-digit numbers.
- Adding three one-digit numbers.

## Reading

This term we will be reading 'George's Marvellous Medicine' by Roald Dahl. We will also enjoy a range of high quality picture books.

The children will practise their reading skills during daily phonics sessions. They will also be read with in by an adult at least once per week. We ask that you hear your child read at least three times per week at home, and share daily stories together.

## Year 2, Summer 1 Muck, Mess and Mixtures

## Science

We are going to be spending time exploring materials and their uses. We will be discovering how certain materials can change by squashing, twisting, bending and stretching. They will also explore how materials can change when they are heated, cooled or mixed with other materials.

The children will spend time working scientifically by using simple scientific equipment, performing simple tests and making and recording observations.

## DT

In DT we will be focusing on healthy eating, tasting foods from around the world and creating and following recipes.

## Art

This term we will be experimenting with a range of materials and colours.

We will start with learning about primary and secondary colours and will then experiment with making colours lighter or darker.

We will be completing art work in the style of Piet Modrian, Wassily Kandinsky and Jackson Pollock.

## PE

In PE this term we will be focusing on tennis. We will focus on improving throwing and catching, coordination and racket skills.

## RE

This term in RE we will be thinking about what Jesus has taught people about kindness and whether it is possible to be kind to everyone all the time.

## PHSE

Following our Jigsaw charter, we are going to be learning to recognise when we feel worried and know who to ask for help.
