

STEPHEN FREEMAN PRIMARY SCHOOL

"Everybody; Every Moment; Every Idea Counts"

Planned use of PE Premium at Stephen Freeman 2019 to 2020

Funding is provided to ensure schools achieve self-sustaining improvement in the quality of PE and sport in Primary Schools, securing improvement in the following areas:

1. The engagement of all pupils in regular physical activity, kick starting healthy active lifestyles.
2. The profile of PE and sport being raised across the school as a tool for whole-school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to pupils.
5. Increased participation in competitive sport.

In April 2020, the school will receive approximately £18,000 of funding and spent it in the following ways:

Key actions	Key achievements	Planned changes
Provision		
Increase range of sports on offer by purchasing equipment to support teachers in planning and organising fun and different sporting opportunities. This will football goals and net ball posts. £2500	Equipment purchased this year has enabled children to participate in sport and active play. Purchases of golf and frissbee resources have given new sports a higher profile in school. Children have also benefited from having good equipment for PE sessions. During Covid clubs have not taken place so in school PE and sport has been given a higher profile..	Continue to purchase equipment to help the teaching of other, different sports including flag football. Investigate computing equipment to support the teaching – photo-taking equipment and music facilities in the hall for dance.
Provide funding to purchase a school mini bus to enable children participating in sport to attend tournaments, fixtures and opportunities: £2500	Due to Covid this did not take place	Money is still available for this to happen during the next academic year.

STEPHEN FREEMAN PRIMARY SCHOOL

“Everybody; Every Moment; Every Idea Counts”

Organise and maintain the PE equipment to protect it and enable it to last longer and to make it easy for staff to use it. £2000	Gym equipment was repaired which enables all classes to use the hall for gymnastics and other PE activities with ease and safety. Grass cutting and pitch maintenance has taken place, throughout the year. This has been beneficial when teaching games and for active lunchtimes.	Storage shed to be purchased during the next academic year to help organise and store the ever growing PE equipment. This will support staff to deliver and teach a range of sport with ease and expertise. Continued grounds maintenance and hall equipment repairs ongoing.
Training		
Provide further training for MDA to give them the skills and ideas of how to engage and provided active lunchtimes. This training will be run alongside Get Active: £1000	MDA were given the opportunity to observe active lunchtimes where the children were engaged in activities that developed their skills and participations levels during the lunchbreak. Training took place in house due to Covid restrictions.	Further training to take place in the next academic year. With ‘bubbles’ there has not been the significant need for this to take place.
Have funding available for adults to attend CPD training courses. To improve the provision for children in the school: £1000	CPD courses did not take place due to Covid restrictions	Funding available
Accreditation		
Obtain an award for the school demonstrating the provision that we provide for our children. Release time for subject lead to research and formulate a plan. £500	Due to covid restrictions this could not happen.	This will be an option for the future.
Links		
Create links with local sports clubs to give children the	Links were established with two local football clubs and a number of children in the	Further work will take place next year to create links with local sports clubs.

opportunities to take part in sport outside of school.: £500	school now play for both teams. Links were also established with a local cricket club and there were plans to obtain some additional coaching and run a tournament in conjunction with the club but due to covid restrictions this was unable to take place.	Possible links will include – Harwell Tennis Club, Local Taekwondo club and golf clubs.
Swimming		
Provide swimming teaching for year 5 and 6 children to improve the percentage of children who reached the national level. £5000	Due to Covid regulations this did not take place this year.	As a school we will look at other options for providing swimming top up for children that will not reach the national expectation.

Swimming is a core area on the national curriculum. At Stephen Freeman children from year 4 – 6 are provided with swimming lessons during the school year. This year due to covid restrictions only year 4 were able to complete their swimming sessions. Year 5 had half of there allocation but unfortunately year 6 were not able to take part in swimming activities. At the end of year 6 the school reports that;

What percentage of your Year could 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	75% (percentage based on information from the last academic year and information taken from parents)
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	70% (percentage based on information from the last academic year and information taken from parents)

STEPHEN FREEMAN PRIMARY SCHOOL

"Everybody; Every Moment; Every Idea Counts"

What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	We are unable to give a percentage for this.
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	This was going to take place this year but with covid restrictions we were unable to do this. Will look to do this next year.
