

### Reminders:

- Please remember to send your child to school with their book bag **every day** and to make sure their books/games are in their book bag.
- When you read with your child at home please put a message on Tapestry so we know how they read at home
- Please ensure your child has a set of spare clothes in school and a sun hat
- Please apply sun cream before school.

### PSED

- We will continue to follow the whole school scheme Jigsaw.
- We will focus on encouraging children to express their feelings if they feel hurt or upset using descriptive vocabulary.
- We will share examples and congratulate children for their kindness to others, when they help, listen and support each other.

### Communication and Language

- We will be encouraging the children to offer explanations for why things might happen.
- As we learn about different artists, we will be introducing new vocabulary and encouraging them to use it in discussions and explanations.

### Physical Development

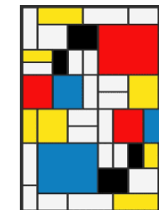

- This term we will be practising our ball skills.
- We will continue to ensure all the children are holding their pencil using a tripod grip and can write more fluently.
- We will go to the hall for P. E lessons. In our P.E lessons we will focus on climbing and moving

## UK and Poland Reception Classes

### Term 5 (Summer 1) 2022

Topic: Exploring colour, shapes and painting techniques

### Expressive Arts and Design

- We will explore different materials, tools and techniques as we create with materials
- The children will discuss primary colours, shapes and colour mixing
- This term we will continue to learn, sing and perform songs.
- The children will attend singing sessions in the hall with Miss Butler and Miss Hale every Friday afternoon

### Understanding of the World

- We will be singing and learning to say hello in different languages
- We will be preparing for the Queens Jubilee celebration and looking at the role of the Monarchy.
- We will look for signs of summer and compare the changes which have happened between Winter and Summer.

### Maths

- We will continue working on developing a deep understanding of number bonds to 10
- This term will start by exploring teen numbers.
- We will continue to look more into patterns in number such as odd and even.

### Literacy

- This term we will continue to learn to read simple sentences using phonic language.
- We will be working on using and understanding recently introduced vocabulary during discussions.
- The children have been working especially hard during home learning on reading. We will encourage children to use their phonetical knowledge to read words in the environment and read words in the books they find in the book corner
- We will continue to practise writing sentences which can be read by others, and encourage children to extend their writing.
- Continue to attend the library every week and listen to a variety of stories.
