

Make some playdough at home (find the recipe below) and use your fine motor skills to practise squeezing, rolling, pinching, pulling and twisting it. You could also make some playdough food practise using a knife and fork to cut it up.

We will be doing lots of work on writing the letters in our names this term. Practise writing your name at home, start with your first letter and when you can do that by yourself work through the other letters. You could write with paintbrushes, pens, pencils, chalks, sticks or anything else you can think of. We will send home a letter sheet to help you remember the rhymes and write the letters correctly.

Find some shadows to draw around outside. You could use chalks or paper and pencils. Try drawing around the same shadows in the morning and then later in the afternoon, what do you notice?

Tell your grown ups at home the story of The Three Billy Goats Gruff which we will be learning in nursery this term. You could draw pictures to help you remember the story. Try and make your troll sound really mean!

*Home learning activities are not mandatory, you can do as many or as few as you would like to. If you do choose to do some of the home learning, please bring it in to share with your friends, or add photos of what you have done to Tapestry.*

Tell a story about something which has really happened to you using words like 'then', 'next', 'after that'. Try to tell your story in the correct order.

Can you make a strong bridge like the one in our story. Use your toys at home to test how strong it is.

Watch these Fred game videos which will help you hear sounds and blend them.

Draw a picture of your favourite memory from Rainbow Explorers nursery.

## Play dough recipe

2 cups of plain flour

1 cup of salt

4 teaspoons of cream of tartar

2 tablespoons of oil

2 cups of hot water

Food colouring

Mix it all together!
