

Look through your library book that you borrowed from school. How many Red words can you find?
Can you see any speacil friends?

I	said	he	no	of	my
sh	th	ng	nk	ch	ay
ee	igh	ow	oo	oo	ar
or	air	ir	ou	oy	

Can you 'clap' the syllables in your family's names,
Food, furniture,
e.g mu-mmy, da-ddy, ba-by, bro-ther, sis-ter,
house, di-nner, spa-get-ti
can you make a syllable table e.g

1. 2. 3 Sorting Card		
1 ●	2 ●●	3 ●●●

Record how your seed changes. Can you draw pictures to show how it is changing?
Can you write about how its changing?

Play the number track game with your family. Can you teach them how to play it? You have the track attached. You will need a dice or you can use the number cards attached and turn a card over to indicate how many spaces you need to move.

Be as creative as you like and enjoy the home learning activities.

Home Learning can't currently be brought come into school but we would LOVE to see photographs and notes on Tapestry about any home learning – either home learning using the ideas on this page or any other 'wow' moment!

Play I spy, remember to use your phonics for the initial sound e.g "I spy with my little eye something beginning with m"

Can you draw a story map for your favourite story?
You could record yourself reading it and put on Tapestry for us to watch.

Peace at Last Story Map

Action Rhymes with hands and fingers Say or sing traditional and not so traditional finger rhymes

- Tommy Thumb

Keep the balloon off the floor game
Blow up a balloon. Throw it into the air and challenge everyone to keep it from touching the floor. This can go on for a long time!
Questions to ask Is it better to be gentle or rough with balloon contact? Can you use the back of your hand...just your fingers? Who is winning? How could we score a point?
Introduce some rules for challenge, e.g. you can only touch the balloon once and then someone else must touch it next, you can only use hands/feet/one hand etc. Have teams and invent a scoring system. Introduce more balloons into the game!
