

### Reminders:

- **Every day**, please send your child to school with their **book bag** (ensure their reading book and library book are in their book bag ) and a **named water bottle containing water**
- Please ensure your child has a set of spare clothes in school and weather appropriate clothes e.g. sun hat, wellies, coat etc.
- Please apply sun cream to your child before they come to school
- When you read with your child at home please put a message on Tapestry so we know how they read at home
- Sports Day and 'Stay and Play': Tuesday 14<sup>th</sup> June
- School Trip to Beale Park: Monday 20<sup>th</sup> June

### Expressive Arts and Design

- We will continue to learn and sing songs, as well as think about the impact music has when added to stories
- Children will draw illustrations to add to their innovated Jack and the Beanstalk story
- Weekly singing sessions with Miss Butler and Miss Hale will continue

### PSED

- We will continue to follow the whole school scheme Jigsaw. This term the theme is: Changing Me
- We will focus on how the children have changed from being a baby to now and what future changes they may go through. We will talk about moving to Year 1 and the changes this move will bring

### Communication and Language

- We will be encouraging the children to offer explanations for why things might happen.
- As we learn about different artists, we will be introducing new vocabulary and encouraging them to use it in discussions and explanations.

### Physical Development

- This term the children will all take part in Sports Day
- We will continue to ensure all the children are holding their pencil using a tripod grip and can write more fluently.
- The children will alternate weekly between an indoor and outdoor P.E lesson. Inside we will focus on balance and jumping when using the apparatus. Outside the focus will be team games.

## UK and Poland Reception Classes

Term 6 (Summer 2) 2022

Topic: Jack and the Beanstalk / A Seed in Need

### Understanding of the World

- At Forest School, we will study the different plants, trees and wildlife.
- We will plant sunflower seeds and learn about growth and decay
- We will explore similarities and differences between families

### Maths

- We will continue to develop a deep understanding of number bonds to 10 by focusing on subtraction, and learning subtraction is the inverse of addition
- We will count in 10s and 2s and use this knowledge to solve simple problems
- We will continue to exploring teen numbers and practise counting to 100 and beyond.

### Literacy

- We will continue to practise writing sentences which can be read by others, and encourage children to extend their writing. Children will be given plenty of opportunities to read and write for a purpose
- Children will learn to retell a version of Jack and the Beanstalk using key vocabulary. Children will then innovate Jack and the Beanstalk to create their own version of the story
- Children will write and illustrate their own book of Jack and the Beanstalk
- Independent reading and writing will continue to be encouraged with a focus on reading and writing for a purpose
- Continue will attend the library every week and listen to a variety of stories.
