Term 3 – Year 5

This term in Year 5 our Topic is Extreme Earth, below are a range of activities that children can do at home to further their learning in all areas. All work completed is to be handed in by the 10th February. For tasks completed the children will be awarded **dojo** points! We would love for every child to have completed **30 dojos** worth of work. We look forward to receiving all the fantastic work you have been doing at home! We are so excited to see what you have come up with!

	5 Dojos	10 Dojos	15 Dojos	30 Dojos
English	<p>Read to yourself or a family member for a minimum of three times a week.</p> 	<p>Create a poster describing tectonic plates and their movement, what physical features can appear when they move towards or away from each other?</p>	<p>Research a natural disaster and write a short newspaper article that explains what has happened and how it occurred.</p>	<p>Create a tourist information leaflet for a National Park, write about the location, terrain, activities for tourists and include facts about its size, native species of plants and animals.</p>
Maths	<p>Complete a times table rock star activity every day!</p> 	<p>Research the height of mountains around the world. Can you write them in ascending order?</p>	<p>Can you write 3 word problems that involve temperatures in different countries? Can you include negative numbers?</p>	<p>Create a graph that shows average temperatures in different countries during the year. Can you show these countries on a map?</p> 
Others	<p>Draw an annotated image of the layers of the Earth, with a short sentence to summarise each layer.</p>	<p>Egypt and South Africa are both on the continent of Africa. Create a fact file about the topography (natural and artificial physical features of an area.)</p> 	<p>Write a non-chronological report about a volcano. Explain how the volcano formed, past eruptions and any other information you can find.</p>	<p>Find a recipe for an African dish. Could you make it with an adult and upload photos?</p>
