

Year 2 Home Learning - Term 5 - Our Planet

Can you turn some plastic, into a piece of ocean themed art?

Worth 5 Dojos

Create an underwater sea scene showing the impacts of plastic pollution.

Worth 20 Dojos

Check your food packaging at home to see if the items can be recycled. Do your best to ensure that you are recycling as much as possible!

Worth 5 Dojos – Add photos to Dojo

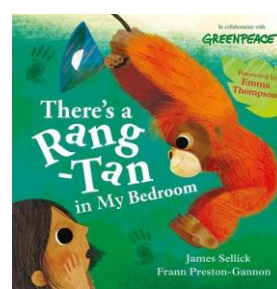

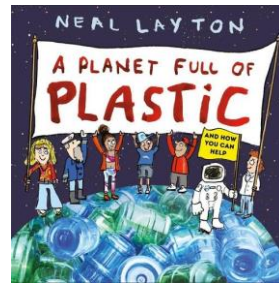

Research animals that live in the sea. Create a fact file/poster to share with your class.

You could also try watching David Attenborough's 'Blue Planet'.

Worth 10 Dojos

Our Planet - Term 6

We will become experts on orangutans, can you become an expert on another rainforest animal?

Worth 10 Dojos

Visit the library to find books about looking after our planet. If you can, bring it in to show the class.

Worth 5 Dojos

Do some research to find out what food and plants grow in rainforests. Can you find food/products in your home with any of these ingredients?

Worth 5 dojos – add photos to Dojo

Use the 'Art Hub for Kids' on YouTube to practise your drawing skills. Focus on sea creatures and rainforest animals, this will help with your art work in school!

Worth 5 Dojos
