

Year 2

Term 5 – Our Planet!

This term the children will be visited by some very important animals. They will learn about the negative impact humans are having on the planet. They will create fact files about the problem with single use plastic and will write letters to companies to campaign for change.

Skills and objectives covered in this topic:

- To write a non-chronological report.
- To write a letter.
- To use question marks and exclamation marks, understanding the impact on the reader.
- To use topic appropriate language.
- To use a variety of conjunctions – when, if, that, because, and, but.
- To make simple additions, revisions and corrections to our work.
- To use an apostrophe for possession.
