

<p>What's that noise? We will be listening for sounds in the environment in nursery this term. Go for a listening walk near your home and see what you can hear. You could ask a grown up to write down everything you hear and bring it to nursery to share with your friends.</p> 	<p>What do you enjoy doing? Riding your bike, caring for your pets, doing a handstand, swimming, baking etc. Draw a picture of something you enjoy.</p>  	<p>Colours Colours everywhere!</p> <p>Go on a colour hunt, see how many colours you can spot. Can you name the colours?</p> 
<p>Listen to your adult read you a story. Talk to your adult about what you can see in the pictures and what you liked (or disliked) about the story.</p> 	<p><i>Here are some activities which you can do with your child at home. If you do any of these activities, if able to, upload a photo on the portfolio section on Class Dojo. We would love to see some of the exciting things you do at home.</i></p>	<p>Spot different groups of objects. Can you spot groups of 1, 2, 3, 4 and 5? It could be anything you see out and about or at home: leaves, birds, cups or baked beans!</p> 
<p>Learn to sing a Nursery Rhyme. You could choose one from this website. https://www.bbc.co.uk/teach/school-radio/nursery-rhymes-songs-index/zhwgwx</p> <p>Keep practising until you can sing the rhyme all the way through. Tell your teacher if you would like to sing a Nursery Rhyme to your class.</p>	 <p>We are reading the book 'The Colour Monster' by Anna Llenas. We will be focusing on our feelings, and using the colours as a way of the children expressing how they feel. Here is a link so you can watch the story at home. There will be an advert which you can skip when the video starts to play. https://www.youtube.com/watch?v=68Ta6crRe4Y</p>	<p>Remind your grown ups to take photos of you doing the things you enjoy at home and post them on to Class Dojo. We will share your Class Dojo photos with your friends at nursery.</p>
