

# Stephen Freeman Primary School Sports Premium Report 2023 - 2024

Activity/Action	Impact	Comments
Year 6 achieving 25 hours of swimming and 75% of pupils being able to swim 25m.	Children can leave year 6 being able to swim 25m and have the knowledge to keep themselves safe in water.	Target for next year is 80% of leavers being able to swim 25m.
Purchase of high quality equipment to support the teaching of sports and encourage active lunchtimes.	<ul style="list-style-type: none"> <li>- Outdoor play equipment saw a bigger range of activity at lunch times.</li> <li>- New football goals encouraging more to play football at break and lunch times as well as the after school club.</li> <li>- New equipment brought allowing each child to be able to take part in lessons.</li> </ul>	Continue to monitor PE equipment. Purchase of new outdoor climbing equipment. New lines to be drawn on playground.
Increasing the range of after school club provision.	<ul style="list-style-type: none"> <li>- CANDO martial arts, new provision and was able to provide after school clubs and taster sessions for our children free of charge – children were able to experience a new sport that they might not have had access to.</li> <li>- Football icon after school club allowed football clubs for boys in year 3 and 4 and all children in year 2.</li> </ul>	CANDO martial arts to continue and offer after school club and taster sessions for year groups.  Football icon cancelled in July 2023 (Clubs choice). New source of coaching to be sort out to help deliver a club.
Encourage more children to take outdoor risks during break and lunch times – new flooring for the outdoor equipment purchased and installed.	Children are able to use the outdoor equipment throughout the school year safely.	More/ new additional equipment to be purchased.
Purchase of Imoves dance scheme – brought in and used throughout the school.	Children had access to high quality dance scheme which taught them new skills and assisted the teachers in delivering dance.	To be continued next year.
Increase the schools participation in tournaments and competitions throughout the school year – money to cover transport to and from events and entrance fees.	The school took part in a wider range of competitions and tournaments in the school year. This included sportshall athletics, cross country, boys and girls vale football league, netball matches and swimming galas. Parents did not have to worry about the transport to events and a wider range of children were able to take part.	This to be continued this year. We will not be taking part in the Vale football league as this was not frequent and it was difficult to set up matches between schools which were further away.

## Key priorities and Planning

Action – what are you planning to do	Who does this action impact?	Key indicator to meet	Impacts and how sustainability will be achieved?	Cost linked to the action <b>£19 490</b>
<p>Continue with the maintenance of equipment in the hall and outside on the playground.</p>	<p>Pupils – if the equipment is not maintained then it will not be safe to use and the children will be unable to use it.</p> <p>Teachers and other staff members to make sure large equipment in the hall does not break whilst in use.</p>	<p>1)The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school.</p>	<p>More pupils meeting their daily physical activity goal, more pupils encouraged to take part in PE and Sport Activities.</p>	<p>£2500 for any maintenance and repair to occur throughout the school year.</p>
<p>Continue to purchase high quality equipment to support the teaching of a range of sports and to also encourage physical activity at break and lunch times.</p>	<p>Pupils having access to high quality equipment throughout lessons as well as break and lunch times.</p> <p>Teachers having access to enough quality equipment so that they are able to teach PE lessons effectively and all children can take part.</p> <p>Lunchtime staff as they will need to be aware of what equipment they have available and how to use it.</p>	<p>1)The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school.</p> <p>3)Increased confidence, knowledge and skills of all staff in teaching PE and sport.</p> <p>4)Broader experiences of a range of sports and activities offered to all pupils.</p>	<p>More children able to meet their daily physical activity goal and encouraged to take part in PE and sports activities.</p> <p>Equipment brought will widen the range of sports available to children.</p>	<p>£2490</p>
